

REMARKS/ARGUMENTS

Favorable consideration and entry of the present amendment is respectfully requested.

Claims 1-8 are allowed.

However, the Examiner's Amendment inadvertently canceled allowed Claim 8.

Accordingly, Claim 8 is reinstated herewith as new Claim 21. The inadvertent cancellation of Claim 8 was uncovered in Applicants' post allowance review of the application and is being timely and diligently corrected. No new matter is involved and no new issues are believed to be raised.

In view of the prior indication of allowability, no further issues are outstanding, and entry of the present amendment is believed to be in order and is respectfully requested so that the patent which issues from this application includes the presently submitted changes.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
